Dear Ray:

What a milestone – 10 years of hosting Michael DeMuis on WQUN for October National Disability Employment Awareness Month! Thank you for celebrating Mike's broadcasting interest by having him spend the morning with you on-air.

What was amazing to realize today during the show was that so much of Mike's successes in broadcasting over the years originated from the confidence of his friends at WQUN. As someone who assists people with disabilities with their vocational goals, it is refreshing to work with community partners such as you and the staff at WQUN who also believe and support the potential within everyone.

Thank you again, Ray, for generously opening the WQUN studio and welcoming Mike on your morning show. It is easy to understand why this has become a highlight of the year for Mike.

All the best,

Dear Mr. Little,

Thank you very much for being a special guest reader to our students on March 24, 2006.

One of our goals at Saint Stephen School is to promote reading for a lifetime, and so your presence in the classrooms on Read-Aerobics Day was not only enjoyable, but it was important in showing the children the value of reading. Your time spent with us was appreciated by all staff and children.

We hope you enjoyed yourself as much as we enjoyed having you.

INDEPENDENCE DAY CELEBRATION

July 5, 2006

To our Sponsors,

It has been 5 months since we wrote and asked for your support. We cannot thank you enough for your sponsorship of our Independence Day Celebration. The fireworks show went off very well. We are told ours is one of the best in the area and some have said this was the best display yet! This is only because we have sponsors and donors that have responded to our request to help us present this type of show for the Town of Hamden.

Our volunteers spend much time fundraising for this event standing in front of Stop & Shop or going door-to-door taking donations in our boot or bucket and selling our T-shirts. We do our fundraising as time permits as most of have full time jobs and our schedules and sometimes the weather as was the case this year does not allow us to get out as often or be as successful as we would like to be. This is where our sponsor support is an important role in our success.

We have tried to keep your business and your generosity in the forefront during promotion of our event: on our T-shirt, at our "fun" events, on the town website, press releases in the local newspapers, radio spots, the banner that hung from the gazebo and our personal thanks at the event. We trust that you are pleased. In the future we will continue to explore additional ways to promote our sponsors.

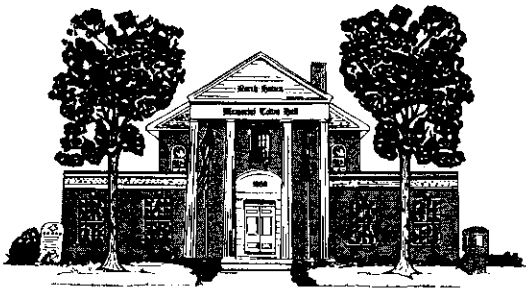

Thank you for your support and hope we can count on you in the future.

Sincerely yours,

Dear Ms. DeFelice,

I want to take this opportunity to thank you for having me on "The Maryanne Show" last night, July 6, 2006. As I am sure you know, it is difficult for any business or organization to get going. Having a chance to reach a large, local audience at once is not common and I am extremely grateful that Girls Incorporated of Greenwich was given this opportunity by you and 1490 WGCH.

I will have you know, that we received our first phone call expressing interest in Girls Incorporated of Greenwich from the interview before I even hung up with you.

I am very excited about moving back to the area and working with the children, families, organizations and businesses in the town where I grew up.

Your enthusiasm and assistance in helping Girls Inc. of Greenwich re-establish itself is much appreciated. I look forward to speaking with you again soon.

Hello Maryanne

I just want to thank you again for all you did to introduce www.ctseniorinfo.com to all of your listeners. I saw a dramatic increase of hits to the website. Also, an elderly woman who listened to your show, called me on my cell and told me that she had to have an operation. She said all her family had moved away and she out lived her friends. She needed someone to care for her after her hospital stay and had limited financial means. I contacted a few social service organizations in the Greenwich area to see what help was available. After discovering what was available I called her and told her where help could be located. She wanted a letter sent to her describing the five sources of information, which I did. I am now confident that she will find the assistance that she needs. Your show and your kind heart helped this woman! The world would be a much better place if everyone were more like you.

Thanks again

Best regards
 John Frasco

RE: THE GREATEST TREASURE in GREENWICH!

Dear Mr. Metter:

This letter is long overdue to tell you that you have a wonderful radio station! In particular, I believe that the greatest treasure in Greenwich is the daily "George and Mary Anne Show."

I am a realtor with William Pitt Real Estate here in Greenwich and, after a long day (sometimes stressful), my treat is to tune in and listen to George and Mary Anne. They make my rush hour trip on I-95 more than bearable...in fact, I credit them with reducing "road rage!" They are so humorous, upbeat and most of all, they project a happy, uplifting message. And, their camaraderie is contagious!

Mr. Metter, you must be so proud of them and their on-air "extraordinaire." My best wishes for your continued success with your station and with "The George and Mary Anne Show."

Cordially,

I just want to let you all know that my thoughts and prayers will be with you on Sunday for the 'Safe At Home' program in New Britain. I so wish that I could have volunteered to be there to witness, but a prior commitment to walk in the MS walk in Enfield will keep me away. I can't help but listen carefully during the day to hear God working quietly to ready the hearts of those that wish to receive Him after the ballgame. It is sooooo exciting to imagine! May it be a Grand Slam with everyone 'safe at home'. Thank you all so much for doing what you do with the radio station. I never got my letter in, but know that I am so grateful for a the programming and what I have learned about the love that is there for us.

God Bless each of you as you bless us daily.

Hello and God bless I am looking for information on a Health program or diet that was mentioned on WIHS a few weeks ago by the name of Healthpath. I believe it was mentioned on the WIHS journal by Paul Kretschmer. Any information that you can find on this matter would be greatly appreciated. I think it would be something that can greatly help my mother.

I thank you very much for all your hard work and service and pray Blessings over you and WIHS.

Dear WIHS Staff,

I heard this is letter month - so here is my note of thanks. I appreciate the ministry of WHIS. I listen every morning on my way in to work. As often as I can, I listen to Tim Schnulle's show "Outside the Box," which has yet to fail me with great music and interviews. It was such a Saturday that I was trying to find an appropriate gift to pack into our son's luggage. He has recently joined the U.S. Navy, and was getting ready to travel to Norfolk for his first assignment. I wanted to get him something to remind him of God's love for him when far from home. It was then that I caught the middle of Tim's interview with Jeremy Camp. I was impressed with the singer's story, his awesome music, and his passion for the Lord. I purchased the CD. It was a perfect fit!

Thanks so much for your youth-oriented programming. Thanks for WIHS!

Dear staff and management of W.I.H.S.,

I just want to thank-you for nourishing us each and every day with your heart-lifting and life saving programs. Programs like "Walk With The King", "Back To The Bible", and "Insight For Living", run along side of us, using God's word to inspire us, instruct us, and even convict us when necessary. We love the testimonies of "Unshackled" and "Words To Live By", remind me daily where I came from and where the Lord Jesus has brought my wife and me. Music from all genres like "spectrum Of Sound" and "Sacred Concert Hall" uplift us and connect us to the music of all the ages.

W.I.H.S. has also provided us with a vast array of resource material. We have been blessed with a youth group and Sunday school ministry and programs like "Outside the Box" and "The W.I.H.S. Journal" put us in touch with other ministries and reference materials, very helpful in instruction of our young people in their walk with Jesus. And many a topic for classroom discussion has been supplied by the "mini-messages" given by "A Word With You" by Ron Hutchcraft and "Creation Moments".

We have been blessed to have met and worshipped with a few of the staff and management of you station and have seen first hand your passion for the W.I.H.S. ministry. Our prayer for all of you is that the Lord holds you and keeps you safe in the palm of his mighty hands.

With Much Gratitude,

Thank you!

Dear Steve and Friends at 95.9 The Fox,

On behalf of Special Olympics Connecticut Southwest Region, thank you for being such a wonderful and helpful radio sponsor for this year's Westport Penguin Plunge fundraiser which was held at Compo Beach, Westport, on March 10th. Thank you also for donating your time and resources, for contributing two Okemo and four Ski Sundown ski passes for the raffle and for all the on-air promotions you ran to get more people involved in the event! We sincerely appreciate your generous support for the Penguin Plunge, which will help us continue to bring athletic training programs and competitions to individuals with intellectual disabilities in your area. Because of you and your care and support, the event raised over \$115,000 to benefit Special Olympics athletes!

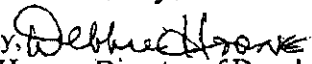

A record 376 "penguins" participated in the plunge including teams of students from local schools, professionals from area businesses, Special Olympics athletes, family members and friends. Many others came to show their support as spectators. 95.9 The Fox radio station had a live broadcast and provided music and announcements. Bob's Discount Furniture, a major sponsor of the event, provided chili, gourmet soups, hot chocolate and coffee served up by Emily's Catering Group. Other treats for event-goers were donated by Moe's Southwest Grill, SONO Baking Company, IGA Supermarket, Coca-Cola and Bear Naked Granola. Citibank of Westport

sponsored a tent so "plungers" could change into dry clothing after their dash into the chilly waters. Many participants earned incentive prizes for their outstanding fundraising efforts. Some plungers dressed in costumes, like Karen, the volunteer coordinator for Special Olympics' local Shelton program, who dressed up in St. Patrick's Day garb! Many participants earned incentive prizes for their outstanding fundraising efforts. Three "plungers" who raised over \$5,000 earned a 5-day cruise! Some plungers even dressed up in costumes for the event, like Karen, the volunteer coordinator for Special Olympics' local Shelton program, who dressed up in St. Patrick's Day garb! Top fundraising teams included Hope's Friends, St. Joe's Cold Feet, Happy Feet, and Patriot National Bank.

Proceeds from the event will go toward providing Special Olympics athletes with year-round sports training and athletic events. In Connecticut, 4,818 children and adults with intellectual disabilities participate. Athletes who are part of Special Olympics benefit by becoming more physically fit, gaining greater self-esteem, and by developing new friendships with their peers and mentors. An additional 1,675 individuals partner with our athletes in our programs as well. Through its programs, Special Olympics changes lives by promoting understanding, acceptance and inclusion between people with and without intellectual disabilities.

Thank you again for your generous donation and for supporting Special Olympics. May the happiness you help bring to others be returned to you in some wonderful way!

Sincerely, 
Debbie Horne - Director of Development

Dear Robin:

On behalf of The Courage to Speak Foundation, Inc., I want to express our deepest appreciation for your sponsorship and generous donation. Because of your support, we have been able to do more than ever to fulfill the mission we all share: "Saving lives by empowering youth to be drug free."

This means that thousands of students and parents have participated in our presentations and educational programs in schools, parent groups, religious and civic organizations, corporations and national conferences throughout our state and nationally and now have "the courage to speak" about illegal drug and alcohol use among youth.

Based upon the many hundreds of emails, letters and telephone calls we get each month, we know we are making a difference in the lives of: Young people who pledge that they will not do drugs; young people who have found the strength to come to adults with their problems; and parents who have learned to recognize the signs of substance abuse in their children, and take life-saving action.

On March 6th we held the third annual, "Courage To Speak Empowering Youth to Be Drug Free Family Night." This third of many Family Nights to come is designed to demonstrate graphically how parents and children can talk honestly and openly about the subject.

An attentive overflow of parents, children and notables came together to applaud the work the children were doing in their Courage To Speak prevention classes and learn more about how families can protect children who are at high risk for using gateway drugs like alcohol, tobacco and marijuana. We are doing our best to make sure they stay safe.

Thank you again for your crucial support of the Courage to Speak Foundation. We appreciate your support and look forward to working with you again next year to empower our children to live drug free lives and their parents to help them do it. For your records, our tax ID number is #06-1526556.

Sincerely,

Ginger Katz

Hi Eric,

This is more than a week past due, but I wanted to first thank your team for responding to my email asking about the Family Passport Day... & then hearing the next day, the female DJ during a promo for it, saying, "If you're like our friend Barbara Jean, who's going to be traveling later this year, you'll get there early like Barbara Jean is, to beat the crowd..." I was amazed that you'd incorporate my comments to you that way... thanks for that as well...

And the third thanks is for the exceptional way that Family Passport Day was handled. Your team was right inside the Post Office, set up with a hand-out table & registration to win a ski weekend. Then the photographer was a true professional... I'm not sure if she was from The Coast or not, but she was the best... I did arrive there around 9:40 & was number 5... by the time my processing was completed, there were more than 20 people in line & about that many sitting after their photos were taken... & even channel 12 showed up as I was leaving... so a BIG eHug for now... & thanks so much for organizing the event... it made it fun & painless... Hi Barbara,

Here's the info you requested. Let me know if you have any other questions!

-Eric

Changes in federal law require that any person traveling to destinations outside the United States, including Canada, Mexico, Bermuda and the Caribbean, will need a passport.

Stamford Post Office at 24 Camp Ave. will hold a "Family Passport Day" in the lobby on Saturday, February 24 from 10am to 4 p.m., in order to help local residents obtain quickly and conveniently this official

2/20/2007

ent necessary for international travel.

Applicants need to bring an original copy of their birth certificate (with a raised seal) and proof of identity. Children under 14 require both parents present and need a long form birth certificate. Postal staff will have a camera available for passport photos for \$15. Passport fees are \$67 (\$52 for children under 16), made payable to the Department of State, and \$30, made payable to the U.S. Postal Service. Only cash or checks can be accepted. Processing takes about 6 to 8 weeks and there will be expedited mailing services available if needed. This is a convenient opportunity to obtain a passport, which will be valid for 10 years (or 5 years if under age 16). Any questions, please call the Stamford Post Office at 203.321-3908.

Hi Ryan,

On behalf of the National Kidney Foundation of Connecticut and the Geromin Family, I would like to thank you so much for your involvement with the Kites for Kidneys event, April 21st. Your involvement with this event was great, it meant a great deal to Steven's family to have you with us and especially taking part in the kite flying. As you may know, this was a "Kidney Kaptain" event, solely volunteer-driven by Nanny and her family, in honor of Steven. The "Kidney Kaptain" group strives to raise money and create public awareness about kidney disease and organ donation.

The proceeds from the event will enable the NKF to fulfill its mission to prevent kidney and urinary tract diseases, improve the health and well-being of individuals and families affected by these diseases and increase the availability of all organs for transplantation.

Great Job!

Most Sincerely,
Filomena Fiore
Development/"Kidney Kaptain" Manager

Dear Ms. Assante:

On behalf of the Committee for the 25th Anniversary Volleyball Marathon, Easter Seals of Hartford and Sharon Rizikow, we would like to thank NBC-30 TV for their media support. The donated PSA's spread the word of our event, helping make it a complete success.

Your contribution is more than just increasing awareness of our volleyball fundraising event, it is really about people who are fighting to overcome disabilities. This year's proceeds will be supporting our new Breast Cancer Rehabilitation Program.

Thank you so much for caring about people with disabilities through your support for our Volleyball Marathon. This event raised over \$40,000 for the care of our patients and clients, and we could not do it without you.

Sincerely,

Dear Mr. Pergam:

On behalf of Best Buddies Connecticut, I would like to extend my sincere thanks for your support of Best Buddies Connecticut and the Rubber Duck Race. Thank you so much for emceeding the event and jumping right in to volunteer anywhere needed! We are excited that this first year event raised over \$40,000 for Best Buddies Connecticut programs. We could not have accomplished this without your help.

The Rubber Duck Race has made a significant difference for Best Buddies Connecticut. Through this event we were able to raise funds needed to support our programs, as well as raise awareness about the valuable services that we provide to people with and without intellectual disabilities throughout the state.

Over 500 people joined us for a sunny day filled with fun and excitement as they lined the pier and cheered for their duck to cross the finish line. Spectators also took part in enjoying the day's festivities at the Fidelity Family Fun Zone and the Koffee on Audubon Very Important Duck Tent.

Best Buddies, a 501(c)(3) non-profit organization, is dedicated to enhancing the lives of people with intellectual disabilities by providing opportunities for one-to-one friendships and integrated employment. Founded in 1989 by Anthony Kennedy Shriver, Best Buddies is a vibrant international organization that has grown from one original chapter to more than 1,000 middle school, high school, and college campuses internationally. One-to-one friendships are the core of all Best Buddies programs.

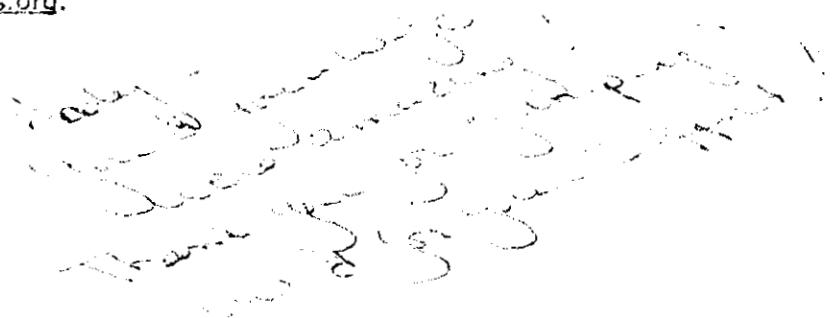

Best Buddies Connecticut currently provides services to over 2,200 participants statewide. We offer programs in 16 Middle Schools, 35 High Schools and 16 College Chapters throughout the state. Best Buddies also hosts a Citizen's Program for the adult community that currently has 25 matches, as well as an online friendship program.

I hope that you will join us for next year's Rubber Duck Race. I will be contacting you shortly to discuss sponsorship opportunities for next year's event. If you have any questions please feel free to reach me at 203-773-9233, or Nikki.Besitko@bestbuddies.org.

Again, thank you for your support!

In Friendship,

Subject: Thank you - Plunge a tremendous success!

Brian, Emma and the entire NBC 30 team,
Thank you for all the fantastic coverage of the 2007 Farmington Penguin Plunge! Everyone is talking about all the great coverage and promotion we had from our partner sponsor NBC 30. Your efforts truly made a difference in our fundraising totals and as always your dedication to help raise awareness of our program continues to make the difference in thousands of athlete's lives.

Just to put it in perspective:

Last year the Farmington Penguin Plunge had 102 plungers and raised \$17,000.

This year we had 210 plungers and raised in excess of \$30,000!

On Saturday morning, the day of the plunge our online total was \$18,500. I know that is direct results of the push that you helped make for people to log on and register.

I also want to thank another NBC 30 team member who came out and plunged into the frigid waters of Winding Trails. Representing Creative Services was Christina Kirsch. She did a great job and we are extremely grateful to her as well.

What a great way to start off the year. We have 6 plunges left including Middletown, March 3rd where Ryan Hanrahan will be plunging. Thank you in advance Ryan!

Thank you for all your commitment and dedication. NBC 30 is helping us continue changing attitudes and changing lives.

Dear Ms. Attenello:

On behalf of the Charter Oak Chapter of the American Red Cross, it is my pleasure to thank you for supporting the Chapter's Centennial Gala held Friday, May 19 at the Connecticut Convention Center in Hartford. More than 400 people were in attendance as we honored four individuals for their achievements. We are most appreciative of two tickets to a taping of *Martha* that you donated for our silent auction.

While the final numbers are still being tallied, it looks like we will net in excess of \$183,000 to support the local programs and services of the Charter Oak Chapter, which serves 83 communities.

Our local Chapter represents the Red Cross mission right here in our community, meeting disaster relief, emergency preparedness and life safety education programs, as well as services for members of the military and their families. Last year the Charter Oak Chapter responded to nearly 200 local incidents and delivered emergency shelter and relief services to more than 300 families. The Charter Oak Chapter trained nearly 70,000 people in lifesaving skills such as First Aid and CPR, as well as programs in babysitter training, certification in Connecticut child care for daycare providers and water safety. In 2005, the Chapter's volunteers supported nearly 1,500 blood drives in the Chapter's service area. Our volunteers and staff reached out to military personnel and their families with counseling and emergency communications services.

None of this great work the Red Cross does would be possible without the kind and generous support of donors like you. Thank you again for helping to make our 100th Anniversary celebration such a success. More importantly, we salute you for helping to keep your local Red Cross Chapter strong and ready to respond when help is needed.

Sincerely,

Betty Dugan
